

SUPPORTIVE HOUSING CASE MANAGEMENT

Gándara Center offers a variety of affordable and supportive sober living housing options in Hampden and Hampshire Counties. The Supportive Housing Program provides safe and affordable housing rentals for homeless individuals and families in recovery.

Gándara's Supportive Housing Programs are funded by the Massachusetts Department of Public Health, Bureau of Substance Abuse Services.

Supportive Housing Programs work in collaboration with Way Finders, area recovery homes, local shelters, and area property managers to provide safe, sober, and affordable housing options to individuals and families in recovery.

Bilingual services are available. Limited case management is available to individuals who have housing but need support in their recovery.

Gándara Center has been providing culturally sensitive behavioral health, substance use prevention, and educational services to the region since 1977. The agency was founded to advocate and provide equal services in the Hispanic community.

Today, Gándara Center serves a diverse multicultural clientele in more than 40 locations across Massachusetts. Its family-centered and community-based approach reaches nearly 15,000 children, families and adults every year through residential, mental health, substance use, and preventative services.

COMMUNITY HOUSING PROGRAM

The Community Housing Program (CHP) offers affordable supportive housing with bilingual case management services to families in recovery. Applicants must be at least 18 years old, have custody of a minor child (or working with DCF for reunification) have at least six months of documented sobriety, and meet homeless criteria.

“Since moving into the Serenity Program, I feel like I have the support I need to continue my recovery.”

- Program Participant

SERENITY PROGRAM

Serenity provides women with affordable housing and support services in single occupancy apartments located in Chicopee, MA. Applicants must be at least 18 years old and have at least six month of documented sobriety.

For more information, please call:
413-304-3983

MIRACLE HOUSE

Miracle House provides affordable, supportive housing with case management services for up to eight Spanish-speaking men in recovery. Units are leased from the Springfield Housing Authority.

Program requirement(s): Applicants must be at least 18 years old, have at least six months of documented sobriety, and have a source of income.

For more information, please call:
413-363-1578

SUPPORTIVE CASE MANAGEMENT SERVICES

Supportive Case Management assists individuals in recovery seeking additional supports. Staff work with individuals to attain and maintain recovery and make plans for achieving goals.

Services include: helping to maintain housing, access to community support services, and obtaining referrals to substance use treatment programs.

Program requirement: Individual is in recovery and has stable housing.
(There is no housing component to this program)
